10 Camels ...at least.

17 day journey ... 435 miles.

Camel can drink 20-30 gallons of water in 10 minutes.

She RAN ... QUICKLY.

Busiest time at the well.

A two hour commitment to some heavy lifting.

What would shift if you watered the camels in your marriage?

What would shift if you watered the camels at your work place?

What would happen if you watered the camels of neighbours?
