Discussion Questions

1. Why is there a book named Numbers? Are numbers important to God... what's with all this counting?
2. What was Balaam's advice (Num. 31:15-16)? Is this at all relevant today?
3. In Numbers 16:46-48 & 21:7-9 there is both a plague and an encounter with deadly serpents. How do you see Jesus in the remedies that were provided for each of these disasters?
4. How did the cities of refuge system work? What do you think about the legal system in those days? Think about and discuss one more law that you have read that supports your ideas about their system of justice.
5. The cities of refuge were pre-planned, accessible, seen from a distance, had road signs, and all the people were instructed about them. What do these details show us about our place of refuge, Jesus?
6. How is Jesus our city of refuge? Refuge from what? And, how do we see Jesus in the death of the High Priest?
7. Tell us one other way that you saw Jesus in the Old Testament this week, and one question you have from the readings.
