(Author “Releasing Kings”)

“The reformation of Calvin and Luther gave us access to the presence of God. This reformation is an invitation to co-labor with the Father and play our role in building the Kingdom.”

The revelation of salvation is that  
Jesus is King and Lord.

The revelation of Kingdom is that  
He is King of kings and Lord of  
lords.

This reformation is the equipping  
and releasing of saints into their  
mountain — changing nations.

In 1975, Bill Bright, founder of Campus Crusade, and Loren Cunningham, founder of Youth With a Mission, had lunch together in Colorado. God simultaneously gave each of these change agents a message to give to the other. During that same time frame Francis Schaeffer was given a similar message.

That message was that if we are to impact any nation for Jesus Christ, then we would have to affect the seven spheres, or mountains of society that are the pillars of any society. These seven mountains are business, government, media, arts and entertainment, education, the family and religion.

In essence, God was telling these three change agents where the battlefield was. It was here where culture would be won or lost.

Their assignment was to raise up change agents to scale the mountains and to help a new generation of change agents understand the larger story.
