**Supercharge**

**Greek Equivalent (sphódra)**  
vehemently, in a high degree,  
exceeding(-ly), greatly.

When Jesus broke the rules, upset the applecart, challenged the status quo, he did so in order to illustrate God's priorities.

The religious elite of his day were masters of marginalization, discrimination, violence, hatred, often dressed up in the sheep's clothing of legal righteousness and religious zeal ....

However one has only look to Jesus, the fullness of God's self-disclosure and the very explication of God, to find example after example of what Divine priority really looks like.

## 1. I've Got To Give
